Emily Josephine Wright  
21st October 1932 - 1st April 2010

Emily's family would like to thank you sincerely  
for your kind donation to Breast Cancer Care.

She supported this charity for most of her life and  
they came to her aid when she needed them most.  
Your gift will help give support for others in their time  
of need, which is what she would have wanted.
